

#Giving Tuesday

December 1, 2020

<http://dfitrust.org/donate.asp>

Please consider donating to the **DFI Educational Trust** for this year's #GivingTuesday on December 1, 2020.

#GivingTuesday connects diverse groups of individuals, communities and organizations around the world for one common purpose: to celebrate and encourage giving. The DFI Educational Trust is joining the movement once again and is hoping that with your support, additional funds will be raised to help civil engineering students achieve their educational dreams.

The DFI Educational Trust is an independent, 501(c)(3) nonprofit organization whose mission is to support and encourage individuals in the fields of study related to the deep foundations industry by providing scholarships and opportunities to meet and work with deep foundations industry leaders. Your contribution is tax deductible to the extent permitted by law.
