Promoting Our Youth

About the DFI Educational Trust

The Deep Foundations Institute Educational Trust is an independent, 501(c)(3) nonprofit organization established in 2006 by the Deep Foundations Institute (DFI) as its charitable arm. The mission of the Trust is to support and encourage individuals in the fields of study related to the deep foundation industry by providing scholarships and opportunities to meet and work with deep foundation industry leaders. The Trust manages several scholarship programs funded by endowments, donations, and fundraising events. Eligibility requirements vary from program to program but in general, scholarships are awarded to full-time undergraduate students in excellent academic standing, who demonstrate financial need, and who are pursuing studies in fields such as civil, geotechnical or construction engineering.

When you support the DFI Educational Trust with your tax deductible contributions, you help young students discover the rewards of a career in the deep foundations industry. The DFI Educational Trust is a 501(c)(3) nonprofit organization. Your contribution is deductible to the extent permitted by law.
