

Now offering 10-Hour and 30-Hour OSHA Courses

Online at <http://dfi.360training.com>

Deep Foundations Institute now offers a convenient and less expensive option for the “last-minute” training you or your employees need, but don't have the time to attend or a scheduled class available nearby.

Choose from a wide range of safety & health-related courses taken in the comfort and convenience of your office or jobsite at your own pace.

- Workers can train 24/7, any day, any time and during any shift, with any Internet connection.
- Studies show that interactive, computer based training can cut training times by as much as 80%.
- Save up to 70% off training costs by eliminating travel, increasing flexibility, and reducing training time.
- It's not just fast, it's good! Studies show comprehension rates increase by as much as 200% when employees can learn at their own pace.
- Help is available 24/7 by phone and e-mail through our provider partner 360 training.
- No waiting for your certificate! Immediately upon completing all course requirements, you can print your **DFI** certificate of completion- especially helpful when you need to provide documentation of your training quickly.

The 10 and 30 Hour courses have been reviewed and accepted by OSHA. Upon completion of these courses, you will receive a temporary printable certificate and in 4-6 weeks you will receive a card from OSHA and the Department of Labor in the mail!
